Insurance:

In order to comply with your insurance all **copayments, co-insurance, deductible and/or non-covered services must be paid at the time service is rendered.** Please remember that insurance is considered only a method of reimbursement to the physician for services you have received- making you ultimately responsible. If there are any questions regarding the payment or insurance filing policies, please see one of the office staff at this time to make any necessary arrangements. Regardless of custody arrangements or divorce decrees, the person bringing a dependent in for services is responsible for all copayments, etc., and is expected to pay at the time service is rendered.

You are responsible for obtaining a referral if one is required by your insurance carrier. If we are participating providers with your carrier, we will file your claim for your office or surgery and allow 45 days for payment in full. Should payment not be received within 45 days, the balance due will become the obligation of the guarantor on the account and must be paid within 30 days. If you do not have insurance, or we are not a participating provider with your insurance carrier, payment is expected today for services rendered.

Agreement to Pay:

The undersigned responsible party does hereby agree to pay for all services rendered to the above-named patient. The undersigned accepts the fee charged as a lawful debt and promises to pay said fee including the costs of collection, attorney fees, and court costs, if such be necessary, waiving now and forever the right to claim exemption under the constitution and laws of the State of Alabama or any other state. All unpaid balances will be charged a 1.5 percent rebilling fee monthly. All returned items will be assessed a \$30.00 fee.

Consent to Treat:

I hereby consent to the treatment for the above listed child as the parent or legal guardian of the patient. I further understand that prior to services being rendered; I must submit in writing my approval for anyone else to bring this child for services such as a grandparent and/or other relatives.
